Plot of property at 5 Woodhaven Estates where the house is located and an adjoining vacant lot to the east. This plot resulted from a property survey performed when the property was purchased in 2007.

**Memorandum supplement to disclosure sheet for the property at 5 Woodhaven Estates,
Metropolis, Illinois**

To whom it may concern

Southern Illinois experienced the worst flood since 1937. In spite of the efforts of many volunteers placing sand bags over a four day period, many homes experienced severe water damage. This property was more fortunate having only received six inches of water in the sunken living room. The living room carpet, pad and tack strips were replaced and 23 sections of flex HVAC ducting in the crawl space were replaced.

Although not directly related to the flood, the roofing was replaced and the exterior of the house was repainted during in the fall of 2011.

Sincerely,

Donald J Snodgrass
